

Our Activities and Core Values

The NavTeens holds weekly rallies and interest-group events for worship, fun and fellowship. Regular bible study is also held within small groups, to allow for closer interaction and stronger bonds between mentor and student. Aside from evangelistic events and activities, TNT also holds training programmes for older teenagers, to equip them with leadership skills and expertise for ministry in future.

Bible Study

We study the Bible together to gain the wisdom for the critical decisions that the teenagers have to make. It is often in studying the Bible that teenagers realize that God speaks about His will for us. We also encourage the students to memorize scriptures and read the Bible daily.

Prayer

While many resort to prayer in times of need, we believe that prayer should be a way of life. It keeps our relationship with God alive and expresses our dependency on God.

Personal time with a mentor

Depending on the teenager, we may meet regularly or as needed to discuss and pray over personal issues not discussed in Bible Study. This allows the teenager to find a listening ear, and have his personal needs met.

Youth Rallies

Teenagers have lots of energy and at a youth rally, we find healthy ways to express that energy. Besides fun and fellowship, we also sing songs of worship, share from the word and find opportunities for evangelism.

The NavTeens Vision

A vital disciple-making movement in every educational institution where teenagers are becoming disciples, labourers, leaders and missionaries of Christ, for the glory of God.
